

We currently have an opening for a **Precision Press Brake Operator!**

Food Service Holdings (FSH) is a food service equipment manufacturer headquartered in Denver, CO. We create innovative solutions through the BSI, English Manufacturing, and Colorado Custom Stone brands. Quite simply, we bring style and functionality to serveries. We build beautiful counters, innovative food guards, products that display food at its best and, of course, custom-fabricated stainless food service equipment.

Why Choose Food Service Holdings?

- Employer sponsored Medical, Dental, Vision Insurance
- 401K Match
- Generous Paid Time Off & Paid Sick Leave
- 8 Paid Holidays
- Company Paid Life Insurance and Short-Term Disability
- And more!

Essential Duties and Responsibilities:

Duties include, but are not limited to, the following:

- Use Press Brake techniques to bend large stainless steel to create food service equipment materials
- Read project blueprints to create stainless steel components for counters, cabinets, refrigeration units, dish tables and more
- Ability to work independently and as a team member to achieve production goals
- Review product specifications on blueprints
- Ability to perform physical activities that require lifting, balancing, and standing on your feet all day
- Maintain a clean and organized work area

Job Type: Full-time

Schedule: Monday- Thursday 5:30AM-3:00PM, Friday 5:30AM-9:30AM

Pay Range: \$20.00 - \$25.00

Experience: Press Brake: 1 year (Preferred)

Work Location: One location
